Imagine the unique challenge hospice workers face of enriching the quality of life of those whose lives are nearing their end. Next, imagine an animal rescue whose goals include not just saving dogs’ lives, but empowering them to thrive as contributing members of society. And now, imagine a creative partnership between two innovative organizations to fulfill and evolve their respective missions. From this vision, a very special dog will be trained as a resident therapy animal.

Hoffmann Hospice has teamed with Marley’s Mutts Dog Rescue. Marley’s Mutts pulls dogs from high-kill shelters, Rehabilites and re-homes them. Via their “Miracle Mutt” outreach program, Marley’s Mutts gives rescue dogs the opportunity to pay forward the gift of healing they’ve received by educating and inspiring their community.

“Expanding our ‘Miracle Mutt’ program into a therapy setting comes at the perfect time in our evolution as an organization,” says the program’s director, J.R. Kover. “Enabling this precious dog to fulfill her higher purpose as a healer will take our work as a rescue to a whole new level.”

Kover, who holds degrees in Animal Science Education and Canine Life Sciences from Bergin University of Canine Studies and is the Animal-Assisted Activities Director for Marley’s Mutts Dog Rescue, will train the dog. She envisions Hoffmann’s resident “miracle mutt” being well trained in basic and advanced obedience and continuing on her track to earn Certified Therapy Dog status.

After a weeks-long campaign in which the public weighed in on social media, the chosen dog was announced on April 1st. It was 4:30 AM when Brian Jackson, on his routine commute through the dark, barren Mojave landscape, noticed two big, furry ears attached to a very small four-legged figure in his headlamps. Amazingly, the dog ran to him without trepidation, as if she had been waiting for him. This gentle, twenty-pound, three-year-old Papillon-Shep-tie-mix was given the name “Maggie.” “Her almost-magical spirit suggests she may have fallen from Heaven right into our laps, specifically to fulfill this divine purpose,” said Kover.

Watch Hoffmann’s Facebook page following along as Hoffmann’s new house becomes a home for our little mutt’s forever home. Hoffmann Hospice is a lifeline and a haven for the Hoffman Volunteer Organization. Hoffman’s Mission is to provide comfort and care at the end of life. Marley’s Mutts will continue their work with Hoffmann Hospice as their hospice home. There is no question need for this life-saving project to continue. Hoffmann Hospice will ensure Marley’s Mutts will remain active in the Bakersfield community.

Located at 3100 Brimhall Rd., Bldg. 100, Bakersfield, CA 93312, (661) 410-1010 or visit our “Comfords of Home” project page at hoffmannhospice.org/home-project/

Imagine the unique challenge hospice workers face to enrich the quality of life of those whose lives are nearing their end. Next, imagine an animal rescue whose goals include not just saving dogs’ lives, but empowering them to thrive as contributing members of society. And now, imagine a creative partnership between two innovators: to fulfill and evolve their respective missions. From this vision, a very special dog will be trained as a resident therapy dog. Marley’s Mutt Dog Rescue, in partnership with Hoffmann Hospice, is thrilled to have Maggie lead the Hoffmann Hounds Pet Rescue, which will train the dog. She gives rescue dogs the opportunity to pay weight of loss on a daily basis.

To fulfill this vision, Hoffmann Hospice has teamed with Marley’s Mutt Dog Rescue. Marley’s Mutt pulls dogs from high-kill shelters and rehabs and places them, via their “Miracle Mutt” outreach program. Marley’s Mutt gives rescue dogs the opportunity to pay weight of loss on a daily basis.

For example, “Miracle Mutt” program paid off in a unique way for Hoffman Hospice. Hoffman Hospice is thrilled to have Maggie lead the Hoffmann Hounds Pet Rescue, which will train the dog. She gives rescue dogs the opportunity to pay weight of loss on a daily basis.

Maggie’s mission: enriching the lives of those whose lives are nearing their end. In support of this vision, Hoffman Hospice is excited to announce the Hoffman Hospice Pet Program. The Hoffman Hospice Pet Program will allow our hospice patients to benefit from therapy with trained dogs. These dogs are trained by Marely’s Mutts Dog Rescue, a local nonprofit organization.

The Hoffman Hospice Pet Program will provide a unique “stuffed animal” for each of our patients to hold and comfort them during their stay and to take home when they leave. These stuffed animals will be specifically designed to resemble Hoffman Hospice’s beautiful new facility.

The Hoffman Hospice Pet Program will have a significant impact on the lives of our patients and their families. It will provide a sense of comfort and companionship, which is especially important for patients who may be isolated or in pain.

The Hoffman Hospice Pet Program will also benefit our community. By providing therapy dogs to our patients, we are able to give back to the community that has supported us through all of our challenges. Additionally, the Hoffman Hospice Pet Program will bring joy and hope to families who are facing the difficult task of losing a loved one.

Hoffman Hospice is grateful for the support of our community, which has made this program possible. We are committed to providing the highest quality care to our patients, and we believe that the Hoffman Hospice Pet Program will further enhance the care we provide.

For more information about the Hoffman Hospice Pet Program, please contact Hoffman Hospice at 661-410-1010 or visit our website, hoffmannhospice.org/hospice-home-project.

**Reflections**

A Non-Profit Hospice

Hoffmann Hospice cares for all who need our services, regardless of their ability to pay. We are able to fulfill our mission based on the availability of funds donated by generous individuals, businesses and foundations in our community. Hoffmann Hospice wishes to thank the following donors who gave from January 1st, 2015 to March 31st, 2015.
